Hello everyone name here is Robbie(smokeeater908) I am new to this forum but am a member of USN and Bladeforums. I also have been doing YouTube videos for a while. I am on my second Wicked Edge now, my dad ended up with the first one and I love it. Got a lot of videos on my YouTube channel so check them out as well.

Thanks

Robbie

Hi Robbie,

Welcome to the forum. I'm fairly new to the forum as well and should be receiving my WEPS this week. I've been following and reading the forum for a couple of months now and one thing you will find here is a very professional, knowledgeable and considerate group of people ready to share information and help out in any way possible. This is really a great community to be a part of!

I'm also a subscriber to your YouTube channel and it looks like you had a blast at the Blade Show. I was at the Blade Show as well and had a great time. Next year, I'll have to buy the 3 day pass instead of a 1 day pass.

I had the privilege of meeting Clay and Kay at the show and was able to see the new accessories included in the new Pro Pack II upgrade. I'm sure everyone is looking forward to its release.

Again, welcome to the forum and I'll be looking out for more of your videos!

Regards,

Jim
