Backlog uodate

I am sure I am not the only one going a bit nuts counting the hours until I get my WEPS which is not due until Sept. It would be great if there was some sort of automated sytem one coud sign into to determine due date or get an update without plaguing the staff with individual emails.

I was thinking of making a youtube of me singing "I want my WEPS" to the tune I want my MTV... but my dog starts barking and whining everytime I sing. Maybe I'll hum with the lyrics printed out.

Thank you for the chuckle first thing Monday morning.
I can tell you that they're due in on the 29th. From there, QC happens and shipping starts. Then it's just a matter of going in order number to get them all out. We've got extra staff on board to get them out the door a little quicker.

Hey Clay,

Hopefully you and the staff are very busy this morning.

I(we) would love an update when/if you find the time. And maybe even the highest order number you think will ship.
