No interest in the contests?

I haven't seen much except for some who said they might try. If we don't have some actual commitments then Clay and I will have to think of another way. All we need is a few in each of the two and we are on our way...April 30th approaches rapidly!

I think some of the problem is a combination of youtube ineptitude (me) and time. I swear every time I think of doing something for this I get distracte....SQUIRREL!

Anyhow...I have a few thoughts on an idea. I'll see if I can get something put together.

Assuming the squirrels stay put...

When you decide to do a video, PM Clay...if you are doing an essay or photo-essay PM me. This way we can keep track of who is doing what! Thanks everyone.
